AYSO Pot O'Gold Tournament 2019

Referee Plan

The following are guidelines that the AYSO Pot O'Gold Tournament will apply for referees in our tournament:

Commitment Requirements	<ul style="list-style-type: none"> A. Each 10U, 12U and 14U team participating in the Pot O'Gold Tournament must provide qualified referees. B. The online Team Referee Application must be completed, approved by the Region Referee Administrator (and Area Referee Administrator in the case of referees for 16U/19U games), and returned with the Team Application. C. Each Team's referees are expected to complete 6 referee assignments. This can be any combination of Centers + AR's + Standbys. D. If all assignments are completed, the entire referee deposit of \$150 will be refunded within 14 days of the completion of the tournament. If only partial assignments are completed, then a partial refund will be provided equal to the proportion of assignments completed. E. The deposit refund check will be returned to the address shown on the Team Application form. F. Remember: the quality of officiating is largely dependent upon the experience and abilities of the referees you provide. G. Should a team's referees fail to appear for their assigned game and no replacement referees can be found, then the entire team's referee deposit may be forfeited regardless of how many other assignments the referee crew may have completed.
Qualification Requirements	<ul style="list-style-type: none"> A. Each referee must be an AYSO registered volunteer and Safe Haven certified. B. Each referee must be versed in the Laws of the Game, including current law changes and capable of applying the laws according to the spirit of the game. C. A referee may represent more than one team in the tournament, but each assignment completed can only be credited to one team. D. Players in the tournament will not be allowed to officiate. E. Coaches in this tournament are strongly discouraged from officiating so that scheduling of referees with the best experience and without conflicts can be accomplished. If an exception is warranted due to lack of other referee volunteers, this must be approved in advance by the Pot O'Gold Referee Administrator. F. Youth referees will only be allowed if they are not a player in the tournament. Care must be taken when considering whether to allow a youth referee to officiate in the heated environment of a competitive tournament. These referees must have their Youth Volunteer Application form with them at all times and present it to any Tournament official upon request. G. Youth referees will only be assigned to games where they are qualified and at least 2 years older than the age group they are officiating.
Uniform Requirement	<ul style="list-style-type: none"> A. All referees must be in full Uniform as defined by AYSO and USSF, including the AYSO Badge. B. The Gold uniform will be considered the primary color of referee uniform for this tournament. The referee crew will be expected to change to an alternate color in case of conflict with either of the teams' uniforms. C. Referees not in uniform will not be permitted to referee games, and their team's referee deposit may be subject to forfeiture. D. In inclement weather, black rain pants or black warm-up pants will be permitted in addition to the official uniform.
Competency Requirements	<ul style="list-style-type: none"> A. Referees should choose assignments based on their level of training and experience, as stated in the Referee Information Form and attested to by the Regional or Area Referee Administrator. B. In addition, referees for the 16U and 19U levels <u>must</u> have the written authorization from their Area Referee Administrator certifying that the referee is qualified and capable for this level of games.

	C. Referees should not schedule themselves for games which include their Team, other Teams from their Region or other Teams in their Team's competitive Pool.
Tournament Rules	<p>A. Referees will be expected to familiarize themselves with and uphold the tournament rules, AYSO guidelines and FIFA laws. Any failure of the referee to uphold these rules may be cause for dismissal from the tournament, and will place a team's referee deposit refund in jeopardy.</p> <p>B. Only the diagonal system of control will be used.</p> <p>C. Referees will be expected to fill out the game cards and to keep track of substitutions.</p> <p>D. Referees will be expected to note on the back of the game cards and to fill out misconduct reports immediately after the game in which a misconduct (caution and/or send-off) was issued to a player or coach, or if there were spectator interference problems, or any other action that merits a report.</p> <p>E. Referees will be expected to turn in all completed game cards and misconduct reports at the Referee station immediately after each game.</p>
Referee Schedules	A. Referee schedules will be available on the tournament website within 2 weeks of the tournament. Each team will be expected to ensure that the referee schedule and check-in instructions have been provided to their referee crew.
Use of Local Referees	A. Additional referees will be provided by the host region, including from the surrounding regions and Areas to ensure all games are covered by qualified referees. These referees will be provided assignments on a stand-by or fill-in basis. Priority will be given to referee crews to ensure an opportunity to earn their deposit refund.
Referee Check-In	<p>A. All referees will be expected to check in at the Referee Station upon their arrival at the tournament, to register.</p> <p>B. Once a replacement referee has been assigned, they will have priority and the original referee must report to the Referee station for alternative assignment.</p>
Referee Mementos	<p>A. Referees will be provided with a meal ticket for food and drink at the concession stand for each day that they officiate. Chilled water and snacks will also be available at the Referee Station.</p> <p>B.
